SUPER DOOPLE

You've heard the legend of Humpty Dumpty, but do you know the legend of Super Doople? He's faster than a chicken. He flies higher than an ostrich. No fall can break his shell! And he was once Little Doople, a small and fragile egg like all the other dooples, until his bad habit of not listening caught up to him.

Engaging text with expressive illustrations, Super Doople is a lighthearted tale about resilience and learning to listen. This funny picture book for ages 3-8 is perfect for reading aloud in the classroom or at home.

PRAISE FOR SUPER DOOPLE

"A study in positivity and perseverance emerges that will delight any adult seeking lessons reinforcing these concepts for the very young..."

—D. Donovan, Senior Reviewer, Midwest Book Review

"Super Doople is an inspiring story with a beautiful message for children. To never give up when you fall and always rise stronger."

—Luwi Nyakansaila, Readers' Favorite, A five-star review
